### Relative Strengths

Yemen, Rep. does not attain a perfect score on any of the WBL2021 indicators. There is room for improvement across all eight indicators.

### Areas for Improvement

However, when it comes to constraints on freedom of movement, laws affecting women's decisions to work, laws affecting women's pay, constraints related to marriage, laws affecting women's work after having children, constraints on women's starting and running a business, gender differences in property and inheritance, and laws affecting the size of a woman's pension, Yemen, Rep. could consider reforms to improve legal equality for women.
